

# South Beach Dance Booster Club Inc.

---

Dear Business Community Leaders,

South Beach Dance Academy is a Daytona Beach area dance school dedicated to the development and education of the art of dance. The studio provides instruction to students from the ages of 4 through adult in a variety of dance genre.

In addition to dance instruction, the studio provides the opportunity for students to compete in dance competitions at the regional and national levels.

The South Beach Dance Competition team is seeking sponsors for their upcoming competition season. These young dancers have worked very hard to develop the talent it takes to compete at this level. Many people aren't aware of the physical skills that dancers acquire as they progress to a competitive level. The sport of dance is a physically challenging activity for students and should be treated with the same respect as any other sport.

Your company can help us continue enriching the lives of our dancers with your financial support which will help us reach our annual budget. We certainly understand the financial constraints that are upon us in these economic times and are very appreciative of any monetary support of any level.

We hope you will take a moment to visit our website, [www.southbeachdance.com](http://www.southbeachdance.com) to find additional information. Please find enclosed our sponsorship level form and a provided self-addressed stamped envelope for your convenience.

Thank you for your consideration.

Sincerely,

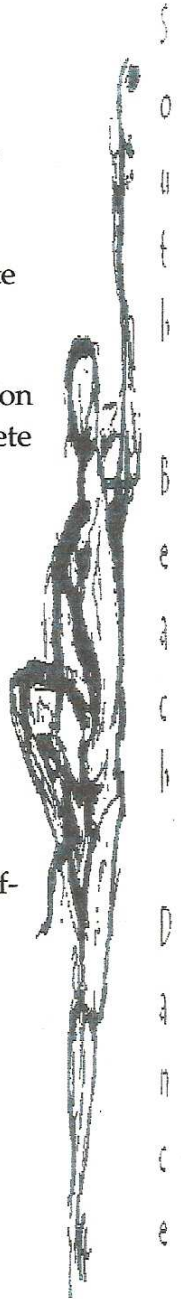

South Beach Dance Booster Club, Inc.
